PRIVATE HOSPITAL

Doctor Profile
Orthopaedic Surgeon
Hip & Knee

Mr Ben Campbell

MBBS, BMedSci, FRACS(Orth), FAOrthA

Mr Ben Campbell completed his medical degree at the University of Melbourne in 1999 before undertaking Orthopaedic training in Victoria.

Following his specialist training, he pursued a fellowship in advanced hip and knee arthroplasty and sports injuries at the renowned Nuffield Orthopaedic Centre in Oxford, UK. During this time, he worked alongside the developers of the Oxford partial knee replacement and collaborated with leading research teams from Oxford University.

Areas of interest:

- Knee replacement surgery (partial, total and revision)
- Hip replacement surgery (primary, revision and the use of the anterior approach)
- Knee arthroscopy and ligament reconstruction
- Hip arthroscopy and impingement
