Doctor Profile

Anaesthesia

Dr Greg Emery

MBBS, FANZCA

Dr. Emery is a Specialist Anaesthetist who graduated from the University of Melbourne Medical School. After his residency he trained as an Anaesthetist at St Vincent's Hospital, Melbourne, including rotations through the Mercy Maternity Hospital, Royal Children's Hospital and Monash Medical Centre.

He has a special interest in anaesthesia for orthopaedic, thoracic, ear nose and throat (including paediatric), neurosurgical, colorectal, urological, gynaecological and plastic surgery. His qualifications include MBBS and FANZCA. He is a member of the Australian & New Zealand College of Anaesthetists (ANZCA) and the Australian Society of Anaesthetists (ASA).
