Doctor Profile

Gastroenterologist & Hepatologist

Dr Dilip Ratnam

BSc, BMBS, PhD, FRACP

Dr Dilip Ratnam is a Melbourne and UK trained Gastroenterologist and Hepatologist. His undergraduate studies were undertaken at Monash University (BSc 1993) and Flinders University in Adelaide (BMBS 1998) followed by physician training at the Alfred Hospital in Melbourne. Specialty training was undertaken at The Alfred, the Royal Melbourne Hospital, and the Royal Free Hospital (London) and he was awarded his fellowship of the Royal Australian College of Physicians (FRACP) in 2005.

Dilip now works as a consultant Gastroenterologist and Hepatologist at Monash Health where he has a number of leadership roles including the clinical lead for quality and safety. He is actively involved in both undergraduate and postgraduate teaching and is an examiner for the Royal Australasian College of Physicians.

Dilip has extensive experience in the management of a wide variety of gastroenterological conditions including irritable bowel syndrome, inflammatory Bowel Disease, Gastro-oesophageal reflux disease, Coeliac disease and is an experienced endoscopist. He also has a particular interest in diseases of the liver having completed a PhD in the immunology of Hepatitis B through Monash University. He has multiple publications in international journals and has also presented his research at numerous national and international conferences. He continues to be actively involved in research including clinical trials of new therapies and has been an invited speaker and expert panel member at various meetings and symposia.

Dilip has worked in private practice in the Eastern and South-Eastern suburbs since 2010. His philosophy of patient care centres around strong communication with the patient as well as their GP, ensuring adequate time and care is given to achieve the best possible outcome and implementing up to date evidence-based developments in the field.
