## Vascular Surgery

## Dr Lachlan Maddock

**MBBS, FRACS (General Surgery),  
FRACS (Vascular Surgery)**

Dr Lachlan Maddock is an experienced Vascular Surgeon in medical, surgical and minimally invasive endovascular treatments of arterial and venous conditions.

Dr Lachlan Maddock believes in patient-focused care and will give honest advice about treatment options specific to the needs of each patient.

Dr Lachlan Maddock was raised in Melbourne. He graduated from Monash University 1999 and went on to become a qualified General Surgeon through Royal Melbourne Hospital. He undertook further training in Melbourne, interstate and overseas to become a Specialist Vascular Surgeon.

He resides in Melbourne with his wife and two children. He is a consultant surgeon at Monash Hospitals and Box Hill hospitals. He also has admitting rights to Holmesglen Private, Epworth Eastern and St John of God hospitals.

### Areas of interest:

- Minimally invasive treatment of varicose veins
- Peripheral arterial angioplasty & stenting
- Management of arterial aneurysms
- Open vascular surgery
- Management of diabetic foot ulcers and chronic wounds
