Doctor Profile Plastic & Reconstructive Surgery

Dr Paul Di Giovine

MBBS, FRACS (Plastic & Reconstructive Surgery)

Dr Paul Di Giovine is a Plastic and Reconstructive surgeon with a fellowship from the Royal Australasian College of Surgeons. He graduated from Flinders University in 2004 with a Bachelor of Medicine/Bachelor of Surgery, after completing a Bachelor of Science with Honours at The University of Melbourne.

During his subspecialty training at major centres in Adelaide, Darwin and Melbourne, Paul has gained extensive experience in all facets of plastic surgery, including skin cancer, trauma, hand surgery, breast, microsurgery, and reconstructive surgery. This experience has been broadened by overseas voluntary work in India and West Timor.

Paul currently holds public appointments at the Eastern, Peninsula and Northern Health networks, and memberships with the Royal Australasian College of Surgeons and the Australian Society of Plastic Surgeons.

Paul is committed to providing the highest quality care for his patients through genuine attention to their needs, careful planning and meticulous operative techniques.

Areas of interest:

- Skin cancer
- Hand surgery
- Hand trauma
- Body Contouring
