Doctor Profile

General Surgery

Colorectal Surgery

Dr Vikram Balakrishnan

**MBBS, BMedSc, FRACS, CSSANZ,
Dip Surg Anatomy**

Mr Vikram Balakrishnan is a consultant General and Colorectal Surgeon servicing Melbourne's Eastern corridor. Vikram provides an efficient, caring and professional service and sees all patients, both private and uninsured.

Mr Balakrishnan has a public appointment at Box Hill Hospital and consults regularly in Box Hill and in Bundoora.

Mr Balakrishnan is skilled in all aspects of general and colorectal surgery. In particular, he performs all endoscopy (gastroscopy and colonoscopy for e.g. management of anaemia, +FOBT), provides a comprehensive cancer service and manages anorectal disease (e.g. haemorrhoids and anal fissures) and hernias (including laparoscopic surgery).

Vikram completed his medical training at The University of Melbourne and spent his clinical years at St Vincent's Hospital. He subsequently underwent specialist colorectal training through the Colorectal Surgical Society of Australia and New Zealand (CSSANZ). In total Mr Balakrishnan has undertaken greater than ten years of specialist surgical training.

Lastly, Mr Balakrishnan is very happy to speak directly with general practitioners regarding complex patients and to provide advice.
