Doctor Profile

Urology/Urological Surgery

Mr Paul Ruljancich

MBBS, FRACS

Mr Paul Ruljancich is the Director of Urological Surgery at Box Hill Hospital and is an Australian trained and accredited Urological Surgeon with an interest in Prostate Cancer and Robotic Surgery.

He obtained his MBBS in 1993, before becoming a qualified Urologist with the Royal Australasian College of Surgeons.

Dr Ruljancich is committed to offering a patient-centred model of care, with individualised treatment options and management plans. He is happy to accept referrals for all urological issues, including PSA issues, haematuria, kidney stones and urinary infection.

Paul also maintains an active interest in clinical research and holds memberships with local and international Urological Societies.

Paul consults from multiple location around Melbourne as well as in Alexandra in county Victoria.
