Doctor Profile Plastic & Reconstructive Surgery

Dr Frank Lin **MBBS, FRACS(Plast)**

LANGUAGES: Mandarin, Cantonese

Dr Frank Lin is a Melbourne trained Plastic and Reconstructive Surgeon with a subspecialty interest in skin cancer, breast reconstruction and aesthetic facial surgery.

Completing plastic surgery training in 2013, Dr Lin undertook further fellowship training in the UK and Japan in reconstructive microsurgery of the breast and facial aesthetic surgery. He is a regular speaker at international conferences in the areas of eyelid and facial plastic surgery, as well as minimally invasive aesthetic treatments.

Dr Lin currently serves on the executive board of the Australasian Society of Aesthetic Plastic Surgeons (ASAPS), the aesthetic education committee of Australian Society of Plastic Surgeons (ASPS) and the Members Committee of the International Society of Aesthetic Plastic Surgeons (ISAPS) representing Australia.

Dr Lin is an adjunct senior lecturer at Monash University and is involved in the teaching of undergraduate and specialist trainees at Melbourne and Monash Universities.

Areas of interest:

- Skin Cancer
- Breast surgery
- Body contouring
- Facial aesthetic surgery
