Doctor Profile

Orthopaedic Surgeon

Elbow, Knee, Shoulder

Mr Soong Chua

MBBS, FRACS, (Orth) FAOrthA

Soong is an orthopaedic surgeon specialising in surgery of the shoulder, knee and elbow. He has a particular interest in arthroscopic rotator cuff surgery, shoulder stabilisation surgery, reverse total shoulder replacement and robotic knee replacement surgery.

Born and raised in Melbourne, he obtained his medical degree at the University of Melbourne, completed his specialist training in orthopaedic surgery through the Royal Australasian College of Surgeons, and spent 2014 completing further subspecialty fellowships in London and Milan.

Mr Chua maintains a public appointment at Austin Health, where he is the Head of Orthopaedic Unit 2. He is the president of the Victorian Shoulder and Elbow Society and regularly teaches at local and international meetings.

Married with three young children, Soong is a dedicated family man, and in his downtime, enjoys golf, cricket and supporting the Hawks.

Areas of interest:

- Shoulder Arthroscopy and Knee Arthroscopic Surgery
- Shoulder and Knee Replacement Surgery
- Rotator Cuff Repair
- Tendon injuries (e.g. tennis elbow surgery, distal biceps rupture and pectoralis major rupture)
