PRIVATE HOSPITAL

Doctor Profile

Orthopaedic Surgeon

Hip, Knee, Foot, Ankle

Dr David Love

MBBS, Diploma Surgical Anatomy, FRACS

David Love is Australian trained orthopaedic surgeon. He completed training in 2009 and has been in both private and public practice since then.

He specialises in hip and knee replacement and also undertakes anterior cruciate ligament injury surgery as well as most sports knee injuries.

He also has trauma experience and continues to participate in the on-call trauma roster at the Royal Melbourne Hospital, where he is now the deputy Director of the Orthopaedic unit.

He has over time taken on various non-clinical roles such as teaching for AO trauma, Chair of the Victorian regional branch committee of the Royal Australian College of Surgeons and has been on various medical advisory committees.

He endeavours to provide the highest possible surgical care for all patients.

Areas of interest:

- Hip replacement-including revision
- Knee replacement-including revision
- Anterior cruciate ligament surgery
- General trauma and sports injuries
