Doctor Profile

Orthopaedic Surgeon

Hip & Knee

Mr Rohan Sheehy

MBBS, FRACS, GDipSurgAnat

Mr Rohan Sheehy is an Australian trained Orthopaedic surgeon sub-specialising in hip and knee surgery.

Rohan's areas of interest and expertise includes hip replacement surgery, knee replacement surgery, knee arthroscopy, ACL reconstruction as well as upper and lower limb trauma in both adults and children.

Rohan completed his undergraduate medical degree at The University of Melbourne and then went on to complete specialist training in orthopaedic surgery across several hospitals in Victoria.

After becoming a fully qualified Orthopaedic Surgeon he has also completed further fellowship training in hip and knee replacement surgery as well as a separate fellowship in orthopaedic trauma surgery at Royal Melbourne Hospital.

In addition to his private practice, he currently holds public appointments at Sandringham Hospital (Alfred Health) and the Western Hospital.

Areas of interest:

- Hip replacement surgery
- Knee replacement surgery
- ACL reconstruction
- Arthroscopy
