Doctor Profile

Medical Oncology

Dr Laura Pellegrini

MBBS, FRACP

Dr Laura Pellegrini is a Medical Oncologist with a particular clinical interest in the management of breast cancer.

Graduating from Monash University in 1999, Laura became a Fellow of the Royal Australasian College of Physicians in 2007 and went on to complete advanced training in Medical Oncology at the Peter MacCallum Cancer Centre, Box Hill Hospital, Bendigo Hospital and Monash Medical Centre. She was also a clinical research fellow at the Walter and Eliza Hall Institute.

In addition to working at Yarra Oncology, Dr Pellegrini holds a public hospital appointment at Eastern Health.

She has an active interest in clinical research relating to breast cancer and is an investigator on numerous clinical trials.

Dr Pellegrini is a member of Breast Cancer Trials Australia, the American Society of Clinical Oncology, and the Medical Oncology Group of Australia.

Outside of medicine, Dr Pellegrini is a classical pianist, avid theatre goer and an accomplished home cook.
