Doctor Profile

General Medicine

Dr Andrew Tosolini

MBBS, FRACP

Dr Andrew Tosolini undertook his medical training at the University of Melbourne, and at the Austin and St Vincent's Hospitals, Melbourne.

He has worked for over twenty years as a kidney specialist with particular interests in acute and chronic kidney disease, hypertension diagnosis and management, electrolyte disorders glomerulonephritis and vasculitis. In addition, he cares long term for dialysis and transplant patients with an emphasis on holistic care.

Dr Tosolini is involved in patient care at Austin Hospital, Epworth Eastern Private Hospital and Warringal Private Hospital.

Dr Tosolini has specialist consulting rooms and is available for appointments in Heidelberg.
