Doctor Profile

General Medicine

Dr Cos Stambe

MBBS, FRACP, PhD

LANGUAGES: Italian

Dr Cosimo (Cos) Stambe is a Consultant Nephrologist and General Physician. He graduated Dux of Medicine from Monash University, in 1991, and went on to complete his training specialising in Nephrology.

He completed his PhD, in 2003 investigating mechanisms of inflammation in renal disease, for which he was awarded the Young Investigator Award.

Dr Stambe was Director of Renal Transplantation at Monash Medical Centre in 2004, but now is exclusively in Private Practice.

He is a consultant Nephrologist as well as a Perioperative Physician, involved in providing a high standard of acute perioperative care to patients across a wide range of surgical disciplines.

Areas of interest:

- Hypertension
- Autoimmune Kidney Disease
- Perioperative Medicine
- Dialysis
