Doctor Profile

ENT/Otolaryngology/ Head & Neck Surgery

Dr Yi Chen Zhao

MBBS, PhD, FRACS

LANGUAGES: Mandarin

Dr Yi Chen Zhao is an experienced ear, nose and throat surgeon based in and around Melbourne. He completed his initial medical training at Monash University, graduating with first-class honours. He then went on to complete his PhD through Melbourne University and then completed his ENT specialist training after various rotations through Victorian metropolitan hospitals.

Dr Zhao has completed further Fellowship training in the management of nose and paranasal sinus diseases and endoscopic skull base, both nationally and internationally.

Dr Zhao is currently the Head of Rhinology (nose) services at the Royal Victorian Eye and Ear Hospital as well as part of the Royal Melbourne Hospital ENT surgical team.

He is a member of the Royal Australasian College of Surgeons, the Australasian Society of Otolaryngology Head and Neck Surgery, the Australian New Zealand Rhinological Society and the Australasian Academy of Facial Plastic Surgery.

Dr Zhao focuses on both adult and paediatric ENT conditions including:

- Adenoids and tonsils surgery
- Sinus Disease
- Blocked Ears and Noses
- Rhinoplasty and nasal surgery

Dr Yi Zhao prides himself on his personable nature and approachability with health professionals and patients. He endeavours to provide his patients with the best possible outcome by ensuring compassionate, efficient and effective care. Dr Zhao is also able to consult in fluent Mandarin if required.
