Doctor Profile

General Surgery

Breast & Endocrine Surgery

Mr Michael Law

FRACS, CCPU (B&E), PGDipSA, MBBS

LANGUAGES: Mandarin, Cantonese

Michael Law is highly skilled in both breast and endocrine surgery, offering a full range of specialty and general surgical procedures in multiple convenient locations across Melbourne. Michael takes a multidisciplinary approach to his work, with his team of medical experts delivering state-of-the-art professional care.

Michael studied at Melbourne University, before moving to St Vincent's Hospital where he received a surgical fellowship in 2007.

Michael has appointments as consultant Breast and Endocrine Surgeon at Eastern Health and also multiple leading private hospitals across Melbourne. He is also involved with Breastscreen Victoria.

Michael also holds a Senior Lecturer appointment at Monash University and has keen interests in clinical research and medical education. He is well published in the area of Surgeon-performed Ultrasound and is a qualified Ultrasound trainer.

Michael speaks fluent Mandarin and Cantonese and is renowned for being friendly and approachable

Areas of interest:

- Oncoplastic breast surgery and breast reduction
- Clinician performed ultrasound
- Vacuum Assisted Breast Surgery (Keyhole breast surgery)
- Thyroid and parathyroid surgery
