## Doctor Profile

### General Surgery

### Breast & Endocrine Surgery

# Mr Sunil Jassal

## MBBS, FRACS

Sunny Jassal is one of Melbourne's best known and most sought-after Breast Cancer Surgeons.

With almost twenty years in private practice, Sunny is highly experienced and sees patients at his rooms in Surrey Hills, Mitcham and Heidelberg.

Sunny studied medicine at The University of Melbourne and completed his General Surgical Fellowship through Austin Health. He was Fellow in General Surgery at Southern Health before completing sub-specialty training in Breast Surgery at Royal Perth Hospital.

Together with Professor Christobel Saunders, AO, Sunny co-authored the highly commended 'Breast Cancer: The Facts' (Oxford University Press). He is a foundation member of BreastSurgANZ and member of the Australian and New Zealand Breast Cancer Trials Group.

Sunny is available to see urgent referrals within 24-48 hours.

#### Areas of interest:
