Doctor Profile

Plastic & Reconstructive Surgery

Mr Terry Wu

FRACS (Plast.) MBBS (Melb.)

LANGUAGES: Mandarin

Mr Terry Wu is a respected Plastic surgeon with extensive experience in all aspects of plastic, reconstructive and aesthetic surgery. He is a member of the Australian Society of Plastic Surgeons, The Australasian Society of Aesthetic Plastic Surgeons, and a Fellow of The Royal Australasian College of Surgeons.

Achieving excellence in surgical outcome by meticulous attention to detail and dedicated professionalism is, above all, what Terry strives for as a Plastic Surgeon. Within a warm and caring environment in which the patient's needs are understood and supported, Terry formulates and delivers clear and realistic surgical outcomes through comprehensive consultations and expert surgical procedures.

Terry is a specialist Plastic Surgeon at Adeney Private Hospital as well as Epworth Eastern, Epworth Freemasons, Waverley Private and Box Hill hospitals. For more than 12 years, Terry served as the Supervisor of Training for Plastic Surgery at Peter MacCallum Cancer Centre where complex microsurgical reconstructions make major cancer surgery possible.

In addition to Plastic Surgery, Terry is passionate about contemporary art and culture. Terry serves as a Board Member of Australian Centre for the Moving Image and as a Board Director of Australian Centre for Contemporary Art.
