Doctor Profile

General Surgery

Medical Oncology

Dr Belinda Yeo

FRACP, MD, MBBS, BA

AREAS OF INTEREST: Breast cancer.

Belinda Yeo is a Medical Oncologist specialising in breast cancer and the Deputy Director of Medical Oncology at Austin Health in Melbourne. She is also a Clinician Scientist at the Olivia Newton-John Cancer Research Institute.

After training in Sydney, she joined the Breast Unit at The Royal Marsden Hospital in London as a Clinical and Research Fellow. She completed a Master's degree at The University of London and The Institute of Cancer Research in novel genomic and non-molecular breast cancer risk assays.

Belinda was co-lead of the VCCC Research and Education Stream for Breast Cancer until 2023. She actively supervises PhD students, serves as a clinical trial investigator, and continues her translational research at the ONJ Centre, focusing on improving personalised care and minimising treatment toxicities for patients with breast cancer.
