Doctor Profile Orthopaedic Surgeon Hip & Knee

Mr. Andrew Gong

MBBS, FRACS, F.A.Orth.A.

Andrew is an established Orthopaedic surgeon based in Melbourne with additional consulting in the surrounding Eastern and Northern suburbs. He completed his medical degree at the University of Melbourne and finished his Orthopaedic Surgical training through the Victorian Program, becoming a Fellow of the Royal Australasian College of Surgeons in 2005. He has trained internationally with fellowships in the UK and Canada.

He has been a consultant surgeon at Austin Health (specialising in joint replacements) since 2007 and has also worked at the Alfred Trauma Centre and Monash Health (current). He holds teaching faculty positions for training courses for junior doctors such as AO Trauma, AO reconstruction (joint replacement), OTC and EMST. He is an examiner for the fellowship exams.

Andrew is a hip and knee surgeon with an interest in advanced technology surgery. This includes:

- Robotic hip and knee replacements
- Partial knee replacements
- Anterior Approach and muscle sparing Posterior Hip approaches
- Revision hip and knee surgery
- Sports medicine including knee arthroscopy, ACL reconstructions
- Trauma
